

I. VISION AND MISSION STATEMENTS

VISION

As one of the cornerstones of our historic and vibrant Village, Riverside Public Library provides an environment where people of all ages, backgrounds and cultures are welcome to learn and grow throughout their lives.

MISSION

To promote lifelong learning and discovery through our diverse resources, enrichment opportunities, and cooperative partnerships.

II. PURPOSE

The purpose of this policy is to guide the staff/Library Director in the selection, acquisition and withdrawal of materials, as well as to inform the public about the principles upon which selection judgments are made.

III. OBJECTIVES

The goal of this policy is to provide a well-balanced and broad collection of materials for all age groups. Based on available financial resources and space limitations, the Library will provide diverse materials for the education and recreation of the community.

IV. RESPONSIBILITIES

The responsibility for the policy governing the inclusion of materials in the Library collections rests with the Library Board of Trustees (the "Board"). The Board delegates the authority and responsibility for the selection of library materials to the Library Director, and, under her/his direction, to the professional staff who are qualified for this activity by reason of education, training and experience.

V. GENERAL PRINCIPLES

The Board of the Riverside Public Library adheres to the following general principles:

- This Library does not practice censorship. Selection of material shall be made solely upon the merits of the work as it fulfills the selection standards herein.
- The Board affirms that all libraries are forums for information and ideas, and that the Library is responsible for providing materials to residents and taxpayers of all ages, backgrounds and opinions. The Library does not promote particular beliefs or views.
- Supervision of a minor's access to materials rests solely with their parents or guardians. Selection of material will not be limited by the possibility that materials may come into the possession of a minor. Only parents and

guardians have the right and the responsibility to restrict the access of their children to Library resources.

The Board upholds and supports the Library Bill of Rights of the American Library Association (ALA) [Appendix C], the Freedom to Read Statement adopted by the ALA [Appendix D], and the Freedom to View Statement adopted by the American Film and Video Association and endorsed by the ALA [Appendix E], Free Access to Libraries for Minors [Appendix F], and Access for Children and Young Adults to Non-Print Materials [Appendix G], which are in the attached Appendixes.

Any patron may express concern regarding an item in the collection. The Library has procedures for the reconsideration of any item in its collection. [See Section IX and Appendix B]

VI. MATERIAL SELECTION PROCESS

The Library Director and Library staff use their knowledge and expertise in combination with the standards listed below to select and evaluate collection items. An item need not meet all criteria to be selected and may not ultimately be selected despite meeting one or more criteria.

The Library Director and Library Staff use a variety of tools to aid in the selection of materials including, but not limited to, such sources as professional review journals, popular print and broadcast media, electronic resources, and publisher's catalogs.

The Library considers all acquisitions, whether purchased, donated, suggested or requested in terms of one or more of the following:

- relevance to the Library's mission and service roles
- price
- date of publication
- available space
- the extent to which the item adds, expands on, or supports the existing collection, rather than duplicates it
- authority of the author, artist, and publisher of the work with preference given to titles vetted in the library and publishing industry
- local demand for the material
- current usefulness or interest
- winners and/or nominees of well recognized literary awards
- relevance to the history of Riverside

The Riverside Public Library provides materials in a variety of formats, including, when appropriate:

- print – such as hardcovers, paperbacks, magazines and newspapers
- nonprint – such as audio and video formats, puzzles and games, artwork, and microforms

- digital resources – such as online databases; digital books, recordings and images; digital historical archives; software programs; and the Internet

X. COLLECTION MAINTENANCE

In order to maintain a collection that is current, reliable, in good condition, well used, and which relates to the needs and interest of the residents of Riverside, materials are withdrawn on a systematic and continuing basis. Materials are withdrawn due to a lack of space or when they are judged to be dated, inaccurate, seldom used, in poor condition, or otherwise not in compliance with the Criteria for Materials Selection.

The following collections are retained regardless of age, condition or circulation:

- Local History Collection
Local history material is retained regardless of age, condition or circulation.
